

**First Announcement**

**10<sup>th</sup> International  
Shoulder and Elbow Course**

**Symposium and  
Hands-on Cadaver Workshop  
19<sup>th</sup> - 21<sup>st</sup> March 2009  
Essen (Germany)**

**Hands-on Course:**

**Shoulder and Elbow Arthroscopy** .....[Thursday 19<sup>th</sup> March 2009]  
**Shoulder and Elbow Arthroplasty** .....[Friday 20<sup>th</sup> March 2009]

**Symposium:**

**Complications in Shoulder and Elbow Surgery** .....[Saturday 21<sup>st</sup> March 2009]

**Venue:** **Institute of Anatomy, University of Essen / Germany**

**Organizers:**

**H. Georgousis**  
Dept. of Shoulder and Elbow Surgery  
St. Josef Hospital Essen / Germany

**F. Gohlke**  
Dept. of Orthopaedics  
University of Wuerzburg / Germany

in cooperation with  
**S. Ergün, H.-P. Hohn**  
Institute of Anatomy I, University of Essen / Germany

**Registration:**

ProSympos Congress Organization  
Bottroper Straße 121, D-45356 Essen / Germany

of Shoulder and Elbow Surgery (DVSE / GASES)

# 10<sup>th</sup> International Shoulder and Elbow Course

Symposium and Hands-on Cadaver Workshop

Essen (Germany) 19<sup>th</sup> - 21<sup>st</sup> March 2009

## PRELIMINARY PROGRAM:

### Thursday

#### **Lectures and Hands-on: Arthroscopy**

12.00 pm:

##### Arthroscopy Shoulder

- Anatomy, landmarks (NN)
- Instability (Wiedemann)
- Rotator cuff (Castagna)
- SLAP (Gohlke)
- Calcifying tendonitis (Georgousis)

03.30 pm: Break

04.00 pm:

##### Arthroscopy Elbow

- Anatomy, Landmarks (Barthel)
- Release (Johannsen)

06.30 pm: End of 1<sup>st</sup> Day

### Friday

#### **Lectures and Hands-on: Arthroplasty**

09.00 am: Elbow Arthroplasty  
(different Systems)

12.00 pm: Break

01.00 pm: Shoulder Arthroplasty  
(different Systems)

06.00 pm: End of 2<sup>nd</sup> Day

08.00 pm: Conference Dinner

### Saturday

#### **Symposium: Complications in Shoulder and Elbow Surgery**

09.00 am:

Complications-related imaging in

shoulder & elbow surgery

- MRI: rotator cuff repair, instability, infections, aseptic loosening of implants, hardware in joints, resorbable anchors (Kenn)
- Sonography: recurrence of tears, infections (Hedtmann)

09.45 am:

Break

Workshop Sonography

10.30 am:

Complications

Elbow Arthroplasty

- Stiffness of the Elbow (Johannsen)
- infections of the elbow (Neumann/Schneeberger)
- Failed fracture treatment elbow (Stanley)
- Failed elbow arthroplasty (Schwyzer)

11.45 am:

Discussion

Case demonstration

12.00 pm: Lunch

01.00 pm:

Complications

Shoulder Surgery

- Failures in arthroscopy of the shoulder (Castagna)
- Failure of instability repair (Boileau / Walch)
- Shoulder Infections (+ arthroplasty) (Gohlke)

02.00 pm:

Discussion

Case demonstration

02.30 pm:

Break

03.00 pm:

Complications

Shoulder Arthroplasty

- Failures of resurfacement (Copeland / Hertel)
- Anatomical TSR Glenoid, Humerus (Habermeyer)
- Failure Reverse TSR Fatigue fracture Aseptic loosening (Walch / Boileau)

05.00 pm:

Round Table

Case presentation

06.00 pm:

End of Meeting

### **Invited Faculty:**

(preliminary)

Thomas Ambacher (Germany), Thomas Barthel (Germany), Alessandro Castagna (Italy), Stephen Copeland (United Kingdom), Lieven De Wilde (Belgium), Süleyman Ergün (Germany), Anders Ekelund (Sweden), Oliver Gagey (France), Harris Georgousis (Germany), Frank Gohlke (Germany), Peter Habermeyer (Germany), Achim Hedtmann (Germany), Ralph Hertel (Switzerland), H. P. Hohn (Germany), Hans Viggo Johannsen (Denmark), Werner Kenn (Germany), Sven Lichtenberg (Germany), Lars Neumann (United Kingdom), Herbert Resch (Austria), Hans Schwyzer (Switzerland), David Stanley (United Kingdom), Gilles Walch (France), Ernst Wiedemann (Germany), and others... ..
